Large Group PPO 2022 Plan Overview

All PPO products are underwritten by Memorial Hermann Health Insurance Company.
Memorial Hermann Health Plan complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability or sex.
Memorial Hermann Health Insurance Company has determined that the prescription drug coverage offered by the Select 6550 H.S.A. is, on average for all plan participants, NOT expected to pay out as much as standard Medicare prescription drug coverage pays. Therefore, your coverage is considered Non-Creditable Coverage. You will most likely get more help with your drug costs if you join a Medicare drug plan than if you only have prescription drug coverage from the large group plans listed above. Please note, you may pay a higher premium (a penalty) if you do not join a Medicare drug plan when you first become eligible. While you can keep your current coverage from the list of large group plans above, you have decisions to make about Medicare prescription drug coverage that may affect how much you pay for that coverage, depending on if and when you join a drug plan.
You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15 to December 7.
